

ABOUT THIS JOURNAL

Journal of Western European Social Sciences, which started its publication life in March 2024, continues its publication life electronically. It is an academic, peer-reviewed, online and open-access journal that publishes research, reviews and theoretical articles with an interdisciplinary approach in all fields of Social Sciences. Our journal, which also includes empirical studies and review-type publications (articles covering the latest literature, meta-analysis studies, model suggestions, case reports, discussions, etc.), is an academic and peer-reviewed journal published 3 times a year. Scientific research to be sent to our journal is accepted in English or Turkish. As the Journal of Western European Social Sciences, we also accept articles from different countries. All research sent to our journal; It is sent to the referees after the first review of the field editor in terms of format and content. We look forward to the work of you, esteemed scientists, in the Journal of Western European Social Sciences, which serves with a new understanding and dynamism.
